Games like Chrono Trigger and Super Metroid are a lot of fun to play even if the characters are sometimes, well, 6 and have a weird a professional practice; and (6) the cause or causes of action arose in a locale other than this state. 2. Defendant has not established that the plaintiff's causes of action arose in a locale other than Ohio or that the transaction had a greater impact on commerce or the people of another state. 3. The court has jurisdiction over this case under the Colorado River abstention doctrine because it does not present the same complex questions of state law as did the case before the Colorado Supreme Court in *Rittner v. Danube City, Inc.*, supra. 4. The controversy presented in this case does not fall within the ambit of Colorado River because: (1) there is not substantial similarity of the proceedings in this case to those proceedings before the Colorado Supreme Court in *Rittner*; (2) Colorado River does not require abstention because the defendant is not a party to the Colorado Supreme Court case and would not be adversely affected by a determination of Ohio law; and; (3) the choice of forum issue has not been raised as a threshold requirement which would make abstention appropriate under Colorado River, since the district court has concurrent jurisdiction in the event there is a determination that the court in Ohio is not the more convenient and proper forum in which to try this case. 5. This court has jurisdiction over this case pursuant to 28 U.S.C. § 1332 because there is diversity of citizenship and the amount in controversy exceeds \$10,000. 6.
