Instructions 1. Make sure you have the below items on hand. \* your webcam \* a microphone \* your phone and headset 2. You need to be behind your webcam. Don't show yourself. So you'll need to cover your webcam with your hand. This will allow you to record your voice instead. 3. Press the record button on your webcam. 4. Now, press the start button on your headset. You want to record the audio that you will play through your headset. 5. Now, press the on button on your phone. This will connect your phone and headset together. 6. Now, press the record button on your phone again. 7. Now, you're ready to start speaking as the character. You can do it as long as you want. 8. Now, press the stop button on your phone. You now have all of the audio that you want recorded in the first 3 steps. 9. Now, press the save button on your phone. This will save your voice. 10. Now, press the end button on your phone. 11. Now, make sure you are connected to your computer. Press the next button on your headset. Then press the continue button on your phone. 12. You now have all of the voice of Mr. Griffin ready to use. ## Disable your phone's mic 2. Now, put your phone in silent mode. 3. Now, open your computer. 4. Press the next button on your headset. 5. Press the continue button on your phone. 6. You now have the ability to control your computer with voice commands. ## Demonstrate voice commands \* your computer 82157476af
